

## NOTICE re a (contemplated) “Visnyk – the Herald” immediate post Paschal supplement in “magazine” format:

To the entire membership (and friends, adherents and families) of the UOCC;

The Ecclesia Publishing Corporation is considering publishing a magazine-style “supplement” as soon after Pascha (Easter) as materials can be gathered.

The goal will be to provide a “hard-copy” version of the pictures (and brief greetings / descriptions) showing the Paschal celebrations in as many of our churches and communities across Canada, and with as many of our clergy as possible. (We hope to publish from as many places as possible, the type of photos, and greetings that may otherwise be published on social media sites such as Facebook.)

So, please encourage as many submissions as possible (almost everyone has a mobile device and the capability to quickly take photographs.)

Photos, *along with a very brief description* (who, where, what time or point in the church services,) are most welcome. Particularly interesting would be “action shots” – the inevitable sprinkling of Holy Water on the food, and anyone and everyone nearby (as but *one example*,) quickly comes to mind.

Please submit these, electronically would be best, as soon after taking the photos, (again with a brief description,) to the “Visnyk – the Herald” at [visnyk@uocc.ca](mailto:visnyk@uocc.ca) and to Mikhayil’ Pavenski at [mpavenski@uocc.ca](mailto:mpavenski@uocc.ca)

Please submit these no later than Bright Thursday, April 20<sup>th</sup>, as we will do our best to send off to the printer on Friday April 21<sup>st</sup>, for printing and distribution, God-willing, *before* the Sunday of the Holy Myrrh-Bearers.

If there are any “hard-copy” submissions, please courier them no later than on Tues April 18<sup>th</sup>, such that they arrive no later than Thur. – these may also be hand-delivered, of course, as well.

We anticipate including in this “supplement” a number of items also (that due to our human limitations,) did not appear in the “regular” Paschal issue. I sincerely beg everyone’s pardon.

Please feel welcome to call or email me if there are any further questions or even suggestions to – for this contemplated “supplement.”

Veselykh Svyat! A Blessed and Joyous Pascha to everyone!
